*we're so glad you're here!*

Spring seems to come and go here in Northeast Ohio. One day we are below freezing and the next we can wear shorts. Spring is a time when the world begins to blossom again. The days are longer, the skies aren't as gray and flowers start popping up in your garden. As quilters it's a time for bringing spring indoors with new quilts, pillows, table runners, etc. Time to visit the quilt shops and check out all the new spring fabric.

Quilt Block Mania's theme for April is "Gardening". We have created a cute little design with a watering can and flowers. The design is "FREE" thru April 30th. There is also a laser precut applique kit available for a limited time only. You can find all the information and links to the other designers block on the BLOG page
